年繳保費及相關所需之徵費將於到期時於保費繳付年期內的每個保單週年日自動從保費預存賬戶扣除。保費預存賬戶餘額將根據保費預存賬戶利率積存，本公司可不時更改此利率。

Annual premiums and the corresponding levy will be deducted automatically from the PDF on each Policy Anniversary during the Premium Payment Term when due. The balance of PDF is accumulated at a premium deposit fund interest rate (PDF interest rate) which will be changed from time to time by the Company.

You may be required to pay any outstanding premiums and/or levy in case the balance of PDF is not sufficient to pay the annual premium and/or levy due and payable. Once all premiums and/or levy due under the policy are paid, the balance of PDF including interest (if any), will be paid to the Policyholder.

When the balance of PDF (if any) is insufficient to pay the annual premium and levy payable, the Company will issue a premium notice to you.

There will be early withdrawal charge upon any withdrawal from the PDF, on the lapse or surrender of the policy.

If the Insured passes away, the balance of PDF (if any) together with the Death Benefit will be payable to the policy beneficiary.

產品風險：

信貸風險

您的保單利益須承受本公司的信貸風險，如果本公司無法按保單的承諾履行財務責任，您可能損失已繳保費及利益。

通脹風險

於決定投保額及檢視建議書內的金額時，請考慮因通脹而引致未來生活成本上漲的風險。當實際的通脹比預計高的時候，即使本公司已經完成所有合約義務，您的實質收益可能會較預期少。

匯率風險

所有繳付之保費及支付之保障均以保單貨幣作單位。在本公司當時的行政規定許可下，您可申請與保單貨幣不同的貨幣作為繳付單位。繳付之保費及支付之保障金額將會以本公司最新兌換率兌換為繳付貨幣，該兌換率是根據相關銀行的兌換率並由本公司全權釐定。兌換率會不時波動。往後繳付的保費（如有）可能會因匯率之波動而比繳付的首次保費金額為高。

退保風險

於保障年內，您可以提交書面申請向本公司申請退保保單。然而，已繳付的保費將不會獲退還，及不設任何退保保障（於冷靜期內退保除外）。你或須承受顯著的損失。

保費調整

保費率是非保證的，而保費率會於每年檢討一次。調整只會於實際經驗與預期情況出現重大分歧時發生。假若須要作出調整，本公司將會根據此產品類別相關的實際經驗，當中包括但不限於投資回報（包括市場價值的賺蝕）、投資展望、直接及非直接的營運成本、賠償情況、退保情況等等而作出調整。調整將不會只針對個別保單，而會對處於同一個風險級別的保單一併作出調整。新的保費率將於下一個保單週年日生效並會提前作出通知。

保費延誤或漏繳

若您於保費繳付年內停止繳付保費，保單將於30天寬限期完結時失效及沒有任何價值，而已繳付的保費將不會獲退還。您或須承受顯著的損失，同時您亦會喪失保單所提供的保障。

Product Risks:

Credit risk

Your benefits under the Policy are subject to the credit risk of the Company. If the Company is unable to satisfy the financial obligations of the Policy, you may lose your premiums paid and benefits.

Inflation Risk

When you decide the Sum Assured and review the values shown in the proposal, please note that the cost of living in the future may be higher than it is today due to inflation. Where the actual rate of inflation is higher than expected, you may receive less in real terms even if the Company meets all of the contractual obligations.

Exchange Rate Risk

All premium payments and benefit payouts will be at the policy currency. Subject to the Company's prevailing administrative rules, you may request a payment currency different from the policy currency. The premium amount payable or the benefit payout amount will be converted to payment currency according to the latest exchange rate solely decided by the Company based on any relevant banks' exchange rate. Exchange rate fluctuates from time to time. The subsequent premium payments (if any) may be higher than your initial premium payment as a result of exchange rate fluctuations.

Risk from Surrender

You may request to surrender the Policy by sending a written request to the Company during the Benefit Term. However, the premiums paid will not be refunded and there is no surrender benefit (except during cooling-off period). You may suffer a significant loss.

Premium Adjustment

Premium rate is non-guaranteed and the premium rate scale is reviewed annually. Adjustment will only be made if there is a substantial deviation of its actual experience versus assumptions. In case it is adjusted, it will be adjusted based on the Company's actual experience relating to its relevant product group, including but not limited to investment return including any market value gains and losses, investment outlook, direct and indirect expenses, claim and lapse experience. The adjustment will not be made to only individual policies but to the group of policies of the same risk class. New premium rate will be effective from the coming Policy Anniversary with prior notice.

Delay or Non-Payment of Premium

If you cease to pay premium during the Premium Payment Term, the Policy will be lapsed upon the end of the 30-day grace period without any value and the premium paid will not be refunded. You may suffer a significant loss, as well as losing the policy's coverage.

自殺

受保人由本保單的(i)簽發日或(ii)任何保單復效生效日（以較後者為準）起計1年內自殺身故，無論自殺時神智清醒與否，本公司的責任只限於退還扣除任何已繳/應繳保障及扣除任何債項後的已繳之保費而不包括利息。如果本保單曾復效，該退還保費則以復效生效日起計已繳之保費。

You have the right to cancel the Policy and obtain a refund of any premium(s) and levy paid (without any interest) by giving a written notice to the Company. To exercise this right, the notice of cancellation must be signed by you, together with the Policy, received directly by the Company at 21/F, Cityplaza One, 1111 King's Road, Taikoo Shing, Hong Kong within the Cooling-off Period. No refund of premium and levy can be made if a claim payment has been made prior to your request for cancellation. For the avoidance of doubt, the day of delivery of the life insurance policy or the Cooling-off Notice is not included for the calculation of the 21 calendar day period. However, if the last day of the 21 calendar day period is not a working day, the Cooling-off Period shall include the next working day. The Cooling-off Notice is a notice that will be sent to you or your nominated representative by the Company to notify you of the Cooling-off Period around the time the policy is delivered.

Suicide

If the Insured commits suicide, whilst sane or insane, within 1 year from (i) the Date of Issue or (ii) the effective date of any reinstatement of this Policy, whichever is later, the liability of the Company shall be limited to return of premiums paid without interest, less any paid/payable Benefits and less any Indebtedness. In case of reinstatement, such amount of premium to be refunded shall be the premium paid calculated from the effective date of reinstatement.

Termination Conditions

The Early Stage or Minor Illness Benefit shall automatically terminate on the occurrence of the earliest of the following events:

- The total benefit amount paid or payable for Early Stage or Minor Illness Benefit is equal to 100% of the Sum Assured; or

The Policy shall automatically terminate on the occurrence of the earliest of the following events:

- Once the Insured dies;
- On the Expiry Date of the Policy;
